A CHALLENGE

Taking a step forward towards a society being a responsible citizen and encouraging others to take small steps which can help building a strong responsible nation. Raising voice at the issues in our surrounding and awaring people about it.

A STEP TOWARDS THE CHALLENGE

Reporting about the problem to the local authorities on helpline number 1916 and have regular follow up about the complaint status until the complaint is resolved.

CHANGE BEGINS WITH US

A stylized yellow flower with multiple petals, located in the top right corner of the image.

As an active citizen, I take responsibility for my surroundings by following laws, promoting cleanliness, and contributing to societal well-being. By spreading community awareness and leading by example, I believe that even small actions can inspire change, proving that transformation begins with individual effort.
